## College Library

The College Library keeps pace with its mother institution Dr. Bhupendra Nath Dutta Smriti Mahavidyalaya which started its journey in the year 1996 as an undergraduate college under the University of Burdwan. The library of this college is a partially open access library with collection of approximately 19119 books. Books are classified by using DDC 23rd edition classification schedule and catalogued using MARC21 format and following the rules framed in Anglo American Cataloguing Code (R) 1988. Subject heading is derived from Sears' list of Subject Headings for books written roman script and using a Bengali Classification Schedule for books written in Bengali script.

Library is using cloud based Koha ILMS version since 2019. At present we are using 23.11.03.000 version of Koha. Almost all the modules except serial control is being used. Patron data is filled by the patron themselves using a registration link from Online Public Access Catalogue. To give the users a 24/7 access to the server cloud based Koha ILMS is being used by the college. OPAC (Online Public Access Catalogue) search facility is available from anywhere of globe round the clock.

### Users of the Library:

- Students
- Full time Teachers
- State Aided College Teachers
- Non- Teaching Staff members including casual staff members

### Salient features of Library Management Software

- Circulation management i.e issue and return of books
- OPAC (Online Public Access Catalogue) for searching books available in the college
- Cataloguing of books
- Generation of Barcode and Spine label of books
