Extension Activity on Seven Days Soccer Coaching Camp at Santiniketan Tribal Academy, Santiniketan, Birbhum.

25th October to 31st October 2021

Objectives:

Soccer is a pure players game. Unlike American football or basketball, coaches don't have a chance to tell players where to go. Kids have to adjust and make decisions on the fly. Youth athletes in all sports attempt to acquire the best possible skill sets in order to perform at their best. Becoming a better soccer player and achieving one's ultimate potential are top priorities for most serious competitive soccer players. Outside of team practice, games, and absorbing as much knowledge as possible from coaches and watching professional soccer, attending soccer camps truly benefit youth interested in the sport.

The Objectives of this camp is to Improve the techniques and tactical idea of the players; and also try to create an environment where enthusiasm for soccer flourishes, which develops their soccer skills.

Beneficiaries:

Total Number of 25 young tribal players of Santiniketan Tribal Academy, has been participate in this Seven days Soccer Coaching Camp held at Santiniketan Tribal Academy Football ground on 25th October to 31st October, 2021

Outcome:

Young talented tribal players of Santiniketan Tribal Academy, were significantly improve their soccer playing ability as well as the tactical knowledge of the game. From this camp foster healthy competition between teammates. It also teaches valuable lessons about life such as perseverance and commitment which can be applied both inside out outside of sports contexts in later years. Therefore, we highly recommend any child interested in playing soccer consider enrolling themselves in one - you never know what might come out of it.
