## Alumni Feedback on the Syllabus

### ➤ Data Collection for 2022-23:

Feedback is a great reinforce for learning and achievement (Mathew B.P., 2020). It has a significant impact on students' academic achievement. Positive feedback can motivate others to take action, which benefits both teaching and learning. Dr. Bhupendra Nath Dutta Smriti Mahavidyalaya collects the alumni' feedback on different dimensions of the Curriculum. The input was collected in an online google form from Alumni of the college and then assessed using the Likert scale's arithmetic computation. Finally, the findings have been considered about development, the teaching-learning process, and other critical topics. A total of 86 alumni from all department of the college have answered about the 7 parameters of the faculty input on the Curriculum.

### Methodology:

To judge these aspects, the rating scale technique has been adopted with five different points – excellent, good, fair, poor, and very poor. For proper quantification, arithmetic scale (5, 4, 3, 2, and 1) has been assigned against this five-point scale, five (5) for 'excellent', four (4) for 'good,' and so on. Different numbers (n5 for 'excellent', n4 for 'good' and so on) of opinions have been quantified with the help of the following equation. Total score of 'Understanding of the Course' =  $(5 \times n5 + 4 \times n4 + 3 \times n3 + 2 \times n2 + 1 \times n1) / N$ . Thereafter all the derived scores have been presented in table no. 1 and has haven used for evaluation.
