Employers Feedback on the Syllabus for 2022-2023

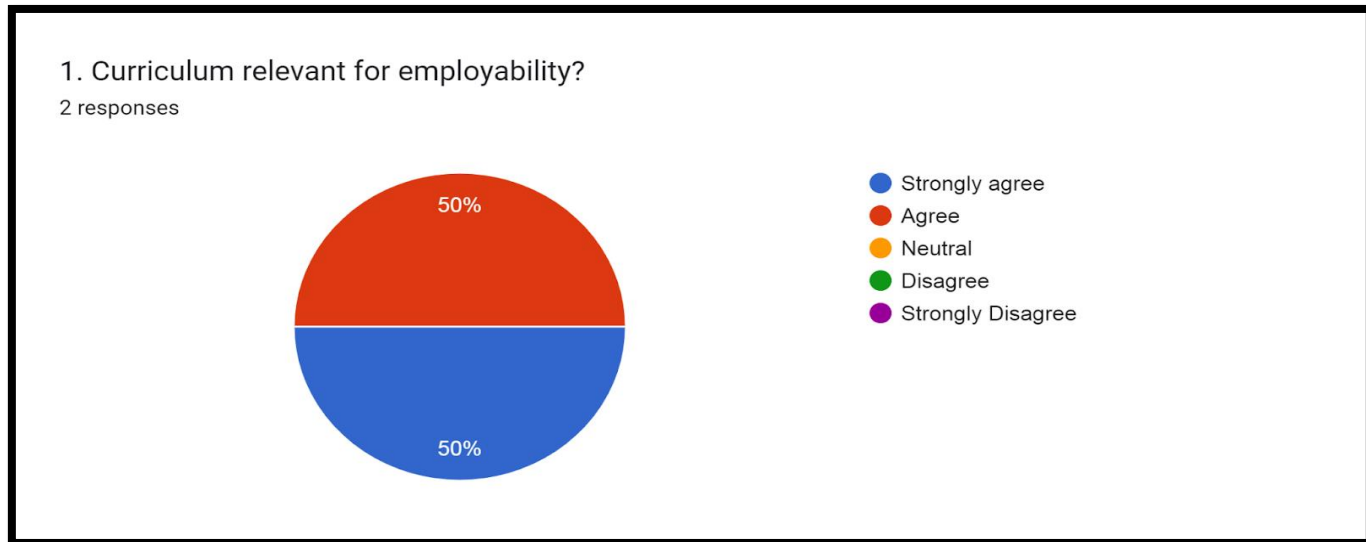

➤ **Introduction:**

Feedback is a great reinforce for learning and achievement (Mathew B.P., 2020). It has a significant impact on students' academic achievement. Positive feedback can motivate others to take action, which benefits both teaching and learning. Dr. Bhupendra Nath Dutta Smriti Mahavidyalaya collects the Employers' feedback on different dimensions of the Curriculum.

➤ **Methodology:**

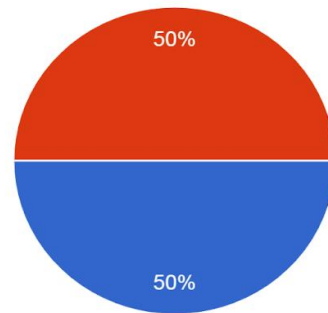

The input was collected in an online google form then assessed using Statistical diagram. Finally, the findings have been considered about development, the teaching-learning process, and other critical topics. A total of 2 Employers given their own opinions about the employability of the syllabus.

➤ **Results:** The feedback that was collected has been analyzed and converted into graphical representations, as shown below.
